

Excuses

by Maël André from 4C

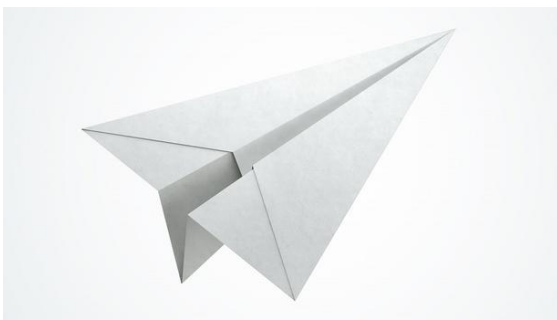

I didn't hand my homework in because I overslept

I didn't hand my homework in because my dog couldn't do it

I didn't hand my homework in because my mum died

I didn't hand my homework in because I used all the pages to make an airplane

I didn't hand my homework in because a storm broke my house

I didn't hand my homework in because I overate and I was sick on my homework.

I didn't hand my homework in because you never look at my homework.

I didn't hand my homework in because I slid in a puddle of acid , the book went hurtling through the air into the hospital and hit a baby on the head , so he ate it and threw it up !

Honest !
