

My favorite super hero is : **Jack-Jack**

Jack-Jack is a baby super hero, he is a indestructible. He has a lot of super powers :

He can cross walls, be on fire, be in another dimension, transforms into a monster, shoot lasers, be very tall... but he can't be invisible, runing fast,talks to animals...

Jack-Jack is small, strong and fat. He has short blond hair, blue eyes and round face.

His costume is red and his mask is black.
