

MISTER GUN

Mister Gun has 1 small gun and 2 knives. His costume colour is black with a bulletproof jacket. He also has black knee pads and he has a belt with a holster for his gun. His real name is Alexi Lexandre. He is strong, he has dark hair, brown eyes and he is not very tall. He lives in 'Small City'. He is my favourite hero because he can handle weapons extremely well, but he can't fly.
